A Thriving Food Quarter for London

New Covent Garden Market is London's original and finest wholesale fresh produce market. For more than 400 years, the market has supplied London's leading hospitality sector with the highest quality fruit, vegetables, flowers and fresh produce from the UK and around the world.

Based in Nine Elms since 1974, the iconic market is undergoing an exciting redevelopment that will transform the site into a thriving, modern food quarter for London, with a world leading wholesale and distribution market operating alongside innovative, next generation food businesses.

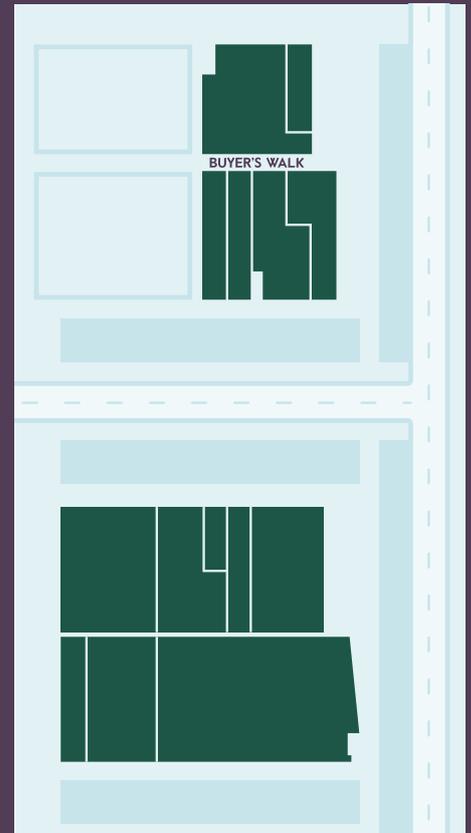

New Covent Garden Market is focused on growing our community of food and plant produce businesses however, expressions of interest are invited from businesses operating in the wider logistics and distribution sector.

Welcome to the new home of fresh!

Exceptional quality, brand new food grade warehouse units are available now in Phase I of the redeveloped market. Get in touch today to arrange a viewing.

Food Grade Specification

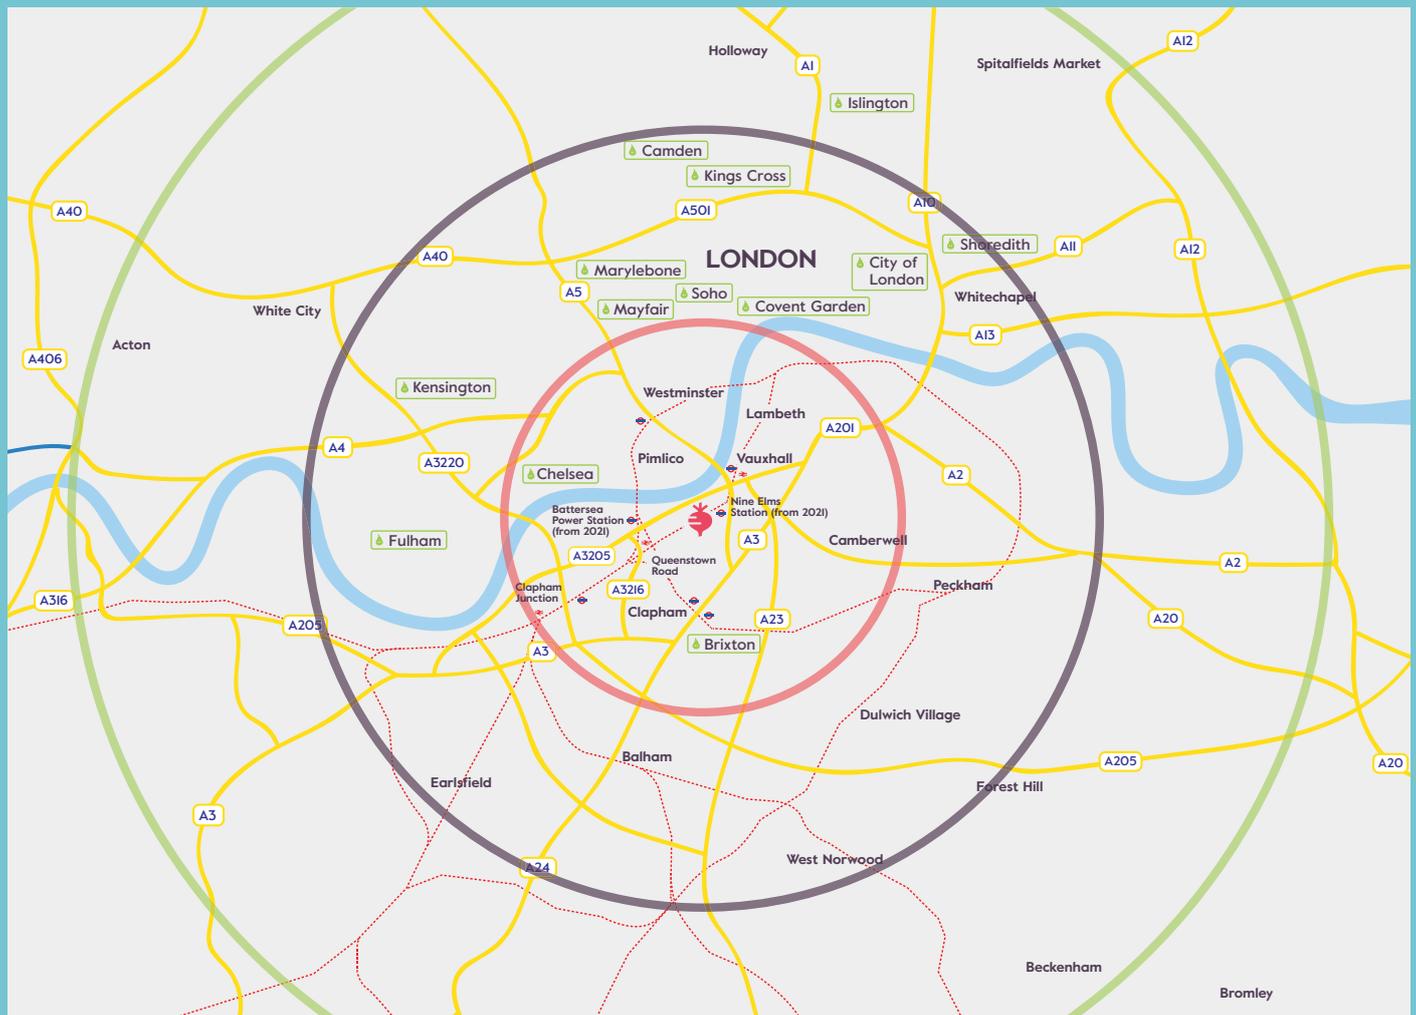

The Fruit & Veg Market is what many people think of as the heart of New Covent Garden Market. Every food grade unit will have the following as standard:

- Hormann insulated sectional overhead door with integral pass door and glazed panels
- Food grade resin floor
- Slab loading 40kn/sq m
- Kingspan CLEANsafe internal wall linings
- High bay lighting installation to provide 300 lux at floor level
- Internal and external vehicle bollards
- High level sprinklers with in-rack installation valves
- Electrical supply terminated within a 3 phase distribution board
- Process drain connection points
- Foul drain connection points
- Capped off and metered water supply
- Fire alarm interface panel
- IT enabled: dedicated cable route for you to install a copper and/or fibre line
